

CLAIMS

What is claimed is:

- 1 1. A gaseous composition, comprising ^{17}F labeled fluoromethane
2 and having an equilibrium activity of greater than or about 20 mCi.
- 1 2. The gaseous composition according to claim 1, wherein the
2 equilibrium activity is greater than or about 40 mCi.
- 1 3. The gaseous composition according to claim 1, wherein the
2 equilibrium activity is greater than or about 70 mCi.
- 1 4. The gaseous composition according to claim 1, further
2 comprising neon.
